

Built Right Pool Heaters

Pool & Spa Heat Pump

XW-SERIES

Most Energy Efficient

Features

Impressive Warranty

- 5 Year Parts & Labor Warranty
- No Prorations!*

Impressively Quiet

- 825rpm fan motor with swept wing fan blade operates quietly & efficiently

- Acoustic compressor blanket, suppresses compressor noise
- No metallic rattling

Intelligent Digital Control

- Digital control with integrated pool/spa thermostat & lock out feature
- New & improved easy to read blue LED display
- Compatible with all pool/spa automation systems

Durable Polymer Cabinet

- Corrosion proof, UV & impact resistant

Tested & Proven

- AHRI Certified for performance & efficiency
- ETL Listed to UL Standard 1995

Intelligent Digital Control

- Easy Temperature Setting
- Remote System Compatible
- Integrated Pool & Spa Thermostats

Impressively Quiet & Efficient

- Swept Wing Fan Blade For Quieter Operation
- Polymer Cabinet, No Metallic Rattling
- Acoustic Compressor Blanket

Scroll Compressor

- Utilizes R410A Refrigerant
- Durable & Reliable
- Energy Efficient

Titanium Heat Exchanger

- Corrosion & Erosion Proof
- Twisted Titanium Tube Construction
- Superior Heat Transfer
